

include/LibGroup.hpp

```
graph TD; A[include/LibGroup.hpp] --> B[string]; A --> C[si2dr_liberty.h]
```

The diagram illustrates a header file dependency. A central box at the top, labeled 'include/LibGroup.hpp', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'string' and the right box is labeled 'si2dr_liberty.h'. This indicates that the 'include/LibGroup.hpp' file includes both the 'string' header and the 'si2dr_liberty.h' header.

string

si2dr_liberty.h
