

exprtk::parser::settings
_store::set_max_local_vector_size

```
graph LR; A["exprtk::parser::settings  
_store::set_max_local_vector_size"] --> B["exprtk::parser::settings  
_store::max_local_vector_size"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a gray background and contains the text 'exprtk::parser::settings' followed by '_store::set_max_local_vector_size' on the next line. The right box has a white background and contains the text 'exprtk::parser::settings' followed by '_store::max_local_vector_size' on the next line. A blue arrow points from the right side of the left box to the left side of the right box.
