

exprtk::details::node
_depth_base::max_node_depth

```
graph LR; A["exprtk::details::node  
_depth_base::max_node_depth"] --> B["exprtk::details::node  
_depth_base::compute  
_node_depth"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a gray background and contains the text 'exprtk::details::node' followed by '_depth_base::max_node_depth' on the next line. The right box has a white background and contains the text 'exprtk::details::node' followed by '_depth_base::compute' on the next line, and '_node_depth' on the third line.
