

exprtk::details::vec  
\_data\_store::control  
\_block::create\_data

```
graph LR; A["exprtk::details::vec_data_store::control_block::create_data"] --> B["exprtk::details::dump_ptr"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is shaded gray and contains the code snippet 'exprtk::details::vec\_data\_store::control\_block::create\_data' across three lines. The right box is white with a black border and contains the code snippet 'exprtk::details::dump\_ptr' on a single line. A blue arrow points from the right side of the left box to the left side of the right box, indicating a pointer or reference relationship.

exprtk::details::dump\_ptr
