

exprtk::symbol_table
::get_variable

exprtk::parser::symtab
_store::get_variable

exprtk::symbol_table
::type_store::get_from
_varptr

```
graph LR; A["exprtk::symbol_table::get_variable"] --> C["exprtk::symbol_table::type_store::get_from_varptr"]; B["exprtk::parser::symtab_store::get_variable"] --> C;
```

The diagram illustrates a mapping or inheritance relationship. On the left, there are two separate boxes. The top box contains the text 'exprtk::symbol_table::get_variable'. The bottom box contains the text 'exprtk::parser::symtab_store::get_variable'. Two blue arrows originate from the right side of these boxes and point towards a single, larger box on the right. This box contains the text 'exprtk::symbol_table::type_store::get_from_varptr'. The box on the right is shaded gray, while the two boxes on the left are white with black borders.
