

LibraryComparator::
comparePin

```
graph LR; A[LibraryComparator::comparePin] --> B[LibraryComparator::compareTimingArc]; B --> C[LibraryComparator::compareLut];
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'LibraryComparator::comparePin'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'LibraryComparator::compareTimingArc'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'LibraryComparator::compareLut'.
