

VerilogVisitor::handle

```
graph LR; A[VerilogVisitor::handle] --> B[VerilogVisitor::handle]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text 'VerilogVisitor::handle'. The right box is white with a dark gray border and also contains the text 'VerilogVisitor::handle'. The blue arrow originates from the right side of the first box and points towards the left side of the second box.
