

include/lib_group.hpp

```
graph TD; A[include/lib_group.hpp] --> B[string]; A --> C[si2dr_liberty.h];
```

The diagram illustrates a header file dependency. At the top, a dark gray box contains the text 'include/lib_group.hpp'. Two blue arrows originate from the bottom edge of this box. The left arrow points to a light gray box labeled 'string'. The right arrow points to a white box with a black border labeled 'si2dr_liberty.h'.

string

si2dr_liberty.h
